

## DISCOVER ANCIENT PATHS OF COMMUNICATION

Since the beginning of time, drums have been used as a tool to create emotional and psychic frequencies for meditation, for communication, for healing, for religious ceremonies, for purification, for spiritual evolution and many other things.

**THE OCEAN SAND DRUMS** are made of the finest teak, oak and maple. Each drum is exquisitely hand-crafted along ancient design principles in order to produce maximum vibrating resonance and psychically potent tones.

No matter what your age or musical ability, **THE OCEAN SAND DRUM** can help you to get in touch with your inner self, and enable you to communicate your innermost thoughts and feelings into an imagery of sound.

As you play, the rhythmic patterns you establish, help you to relax and meditate. The frequencies you create, excite psychic and memory centers and the sound produced by the unfolding of your energized consciousness will be revealed to you.

### THE OCEAN SAND DRUMS CAN BE USED AS A TOOL TO OPEN NEW DIMENSIONS IN YOUR CONSCIOUSNESS

**THE OCEAN SAND DRUMS** are completely acoustic and can be played with your hands or with mallets. By following the simple directions on the instruction tape, you can learn to travel along new and exciting paths of communication and consciousness. Magnificently constructed and compact, you can take your **OCEAN SAND DRUM** anywhere!
