FOR IMMEDIATE RELEASE

JULY 29TH, 1977

New York Rock Ink, Ltd. has recently become incorporated and is setting up offices at 151 West 25th St., 10th Floor, New York, N.Y. 10001.

We have just recently completed our first series of concerts in Washington, D.C., headlining SON, SWEET STAR and SHANGHI SIDE SHOW (featuring Geoffrey Crozier of KONGRESS fame) in their annual July 4th Music Festival (4 days), sponsored by NORML, High Times Magazine and the Youth International Party.

This concert had an attendance of over 15,000 people of all ages, from various parts of the United States. Our New York bands were received with joyful exuberance and the crowds were greatly impressed with their professionalism, precision and theatrical expertise. Mr. Crozier's fire and exploding light show brought the crowds to their feet at midnight, closing the third day of events with a bang!

New York Rock Ink, Ltd. feels confident that the influence of these bands, and others, such as OCEAN STAR, INVISIBLE MAN and WHITE GOLD, will be strongly felt in the U.S. music scene of the near future. We represent the "cream" of the new, vibrantly alive rock bands in the New York area and we believe that people across the U.S. and abroad will share our enthusiasm for their creative and performing artistry.

We are now preparing for a series of concerts within the New York area and are seeking individuals interested in developing a theater in the Metropolitan area where name acts, as well as our own can give the public the music and excitement they desire.

We have already been approached by several name acts throughout the country and theater owners in the New York area who have shown considerable interest in this project.

If you wish any further information on the show or have any creative or positive energy, in whatever form, to contribute in helping our project become reality, thereby giving creative performers a available place in New York City to showcase their talents, please call us at (212) 475-5998, between 3:00 p.m. and 5:00 p.m. or 779-9535, Ext. 502.
